Arms & Legs are templates they have no seam allowances. Templates are to be traced directly onto wrong side of fabric and then sew on the drawn line.

Drawing the Faces

Draw a face with black, red fabric pens and one colored pencil to put blush on the cheeks. There are 2 different faces. Don't be afraid to draw your own fun faces on either. The more you make the better you get at drawing faces and having fun.

1. Draw the features on in pencil.
2. Fill in the eyes with a black fabric pen
3. Trace over eyebrows & noses using a brown fabric pen.
4. Fill in the Cat & Dog heart nose with a red or rose fabric pen.
5. Draw the smile with a red fabric pen.
6. Put a little rosy color for the cheeks with the colored pencil.
7. The buck teeth for Scribbles and Rabbit are painted using a #1 paint brush with a white acrylic paint.
8. After the teeth have dried, trace around them with a black fine tip fabric pen. And put a line in the center separating the teeth.
9. Add a dab of white paint to put a sparkle in the eyes.
10. Let the face dry.
11. Wrap 12 inches of yarn around three of your fingers. Pinch the bundle in the center and place at the top of Scribbles head. Sew yarn on the top of head.
